### **ZOLEO ORDERS EXCEED 100K AFTER BEAM RECEIVED NEW ORDERS FOR THE DEVICE**

**Beam Communications Holdings Ltd** (ASX: BCC) is pleased to announce that it has received new orders for 6,500 additional ZOLEO devices from its joint venture (JV) entity.

The new purchase orders (POs) from ZOLEO Inc. come only a month after Beam received its last set of POs for 27,480 devices, a portion of which is to support the launch of the global seamless messaging solution in the United Kingdom and select European markets in early calendar 2022.

The decision by ZOLEO Inc. to place these latest sales orders is based on strong demand forecasts and supporting feedback from current retail channel partners in North America, Australia and New Zealand.

The total number of ZOLEOs ordered from Beam since its launch in early 2020 now stands at 103,225 devices.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Michael Capocchi", with a long horizontal flourish extending to the right.

Michael Capocchi  
Managing Director

**About ZOLEO Inc.**

Formed in 2018 and headquartered in Toronto, Canada, ZOLEO Inc. is a joint venture between Beam Communication Pty. Ltd. and Roadpost Inc. that is pioneering the development of innovative lower cost, consumer-oriented global messaging solutions, including innovative wireless devices and apps based on Iridium short burst data (SBD), cellular and Wi-Fi standards. The company serves three primary markets including consumers residing on the fringe of cellular coverage, outdoor recreation and lone worker safety. Its products are offered through authorised retailers in the US, Canada and Australia. Roadpost is responsible for retail distribution in North America and Beam is responsible for the Asia Pacific region. Staged distribution in other regions will be jointly managed. For more information visit [www.zoleo.com](http://www.zoleo.com).

**About Beam Communications Limited**

Beam Communications Holdings Limited is an Australian publicly-listed company (ASX:BCC) that specialises in the design, development, manufacture and distribution of satellite, cellular and dual-mode equipment applications and services. Its products and services are adopted by some of the world's largest satellite and telecommunications companies, such as Iridium, Telstra, KDDI, Inmarsat & Thuraya, to fill the global needs of Information Communication & Technology markets. Beam Communications Holdings Limited owns 100% of Beam Communications Pty Ltd and SatPhone Shop Pty Ltd [www.satphoneshop.com](http://www.satphoneshop.com).
