

Certificate of Compliance

Certificate No. C65000
Revision A – SIS
Date 15.05.2023

The RST202 (P/N: 65000-019) and RST210 (P/N: 65000-029) have been tested to be dustproof and waterproof when submerged in one meter of water for 30 minutes. The test was performed at the premise of Scan Antenna A/S in Skovlunde, Denmark. This is equivalent to having an Ingress Protection category six and eight (IP68) according to the International Electrotechnical Commission (IEC) under the international standard IEC 60529.
